# Labor and Workforce Development

The Labor and Workforce Development Agency was established in 2002 to address important issues relating to California workers, as well as their employers. The Agency is primarily responsible for three different types of functions: labor law enforcement, workforce development, and benefit payment and adjudication. The primary objective of the Agency is the opportunity to better serve the workers and employers of this state by coordinating its many services and programs in an efficient, effective manner that is always relevant to current and future economic conditions.

## 7100 Employment Development Department

The Employment Development Department (EDD) promotes California's economic growth by providing services to keep employers, employees, and job seekers competitive. The EDD connects employers with job seekers, administers the Unemployment Insurance, Disability Insurance, and Paid Family Leave programs, and provides employment and training programs under the federal Workforce Investment Act of 1998. Additionally, the EDD collects various employment payroll taxes including the Personal Income Tax, and collects and provides comprehensive economic, occupational, and sociodemographic labor market information concerning California's workforce.

Since department programs drive the need for infrastructure investment, each department has a related capital outlay program to support this need. For the specifics on the EDD's Capital Outlay Program see "Infrastructure Overview."

The procurement process for selection of an ACES vendor will be finalized in early 2009. Upon approval of a post-procurement Special Project Report, a Spring Finance Letter will be submitted revising the 2009-10 funding and anticipated revenues, based on the successful bidder's proposal.
- Employment Training Panel The Governor's Budget includes an increase of \$20 million (Employment Training Fund) to allocate additional training funds to California employers to reduce unemployment.
- October Revise The Governor's Budget includes an increase of \$1.1 billion in Unemployment Insurance benefit

#### **PROGRAM DESCRIPTIONS (Program Objectives Statement)**

#### 10 - EMPLOYMENT AND EMPLOYMENT RELATED SERVICES PROGRAM

The objective of the Employment and Employment Related Services Program is to provide a variety of services to facilitate a match between employers' needs and job seekers' skills. In addition to providing an Internet labor exchange system, CalJOBS, to facilitate this match, job seeker skills are enhanced through a variety of case-managed programs. These programs are designed to provide specialized services to job seekers needing extra assistance, such as CalWORKS recipients, parolees, veterans, youth, persons with disabilities and long-term unemployed individuals. There are also EDD sponsored Experience Unlimited locations designed for executive, technical, and professional job seekers to assist each other in finding suitable employment.

#### 21 - TAX COLLECTIONS AND BENEFIT PAYMENTS PROGRAM

The Unemployment Insurance (UI) and Disability Insurance (DI) benefit payment programs provide monetary relief to alleviate hardships on California workers who undergo periods of unemployment and to help stabilize the economy. The UI program provides short-term income replacement for individuals who are unemployed through no fault of their own. The DI program minimizes the financial hardships by providing benefits and services to eligible persons with disabilities. The Paid Family Leave program provides benefits to individuals who take time off from work to care for a seriously ill child, spouse, parent, or domestic partner or to bond with a new minor child.

EDD collects over one third of California's General Fund revenues and is one of the largest tax collection agencies in the nation. EDD works with employers to collect California's employment taxes and data to support the employment security, child support, and personal income tax programs.

#### 22 - CALIFORNIA UNEMPLOYMENT INSURANCE APPEALS BOARD

<sup>\*</sup> Dollars in thousands

The California Unemployment Insurance Appeals Board (Appeals Board) is a quasi-judicial agency whose primary purpose is to conduct impartial hearings and issue prompt decisions to resolve disputed unemployment and disability determinations, and EDD tax liability assessments. The Appeals Board consists of seven members, five appointed by the Governor and one each by the Senate Rules Committee and the Speaker of the Assembly.

The Appeals Board reviews appeals from the decisions rendered by field judges in the state's 12 regional offices. In addition, the Appeals Board may designate its decisions as precedent decisions, which constitute the foundations of the various benefit programs that fall within the Appeals Board's jurisdiction.

#### 50 - EMPLOYMENT TRAINING PANEL PROGRAM

The Employment Training Panel (ETP) is an ongoing statewide economic development program that supports the California economy by ensuring that employers, primarily small businesses, have the trained workers they need to compete in the global economy while providing workers with reasonable wages and secure employment. The ETP is a significant economic development tool for business attraction and business retention and works in partnership with business, labor, and government. The ETP, in conjunction with state and local partners, prioritizes special economic development initiatives with the objective of retaining and creating high-skilled, high-paying jobs throughout the state.

#### 61 - WORKFORCE INVESTMENT ACT PROGRAM

The EDD administers the federal Workforce Investment Act Program, which offers a comprehensive range of workforce development activities through statewide and local organizations. Available workforce development activities provided via One-Stop Career Centers in local communities benefit job seekers and employers, laid-off workers, youth, incumbent workers, new entrants to the workforce, veterans, and persons with disabilities. These activities range from self-assisted access to employment-related information to job skills training programs. The purpose of these activities is to promote an increase in the employment, job retention, earnings and occupational skills of participants.

#### 62 - NATIONAL EMERGENCY GRANT PROGRAM

The National Emergency Grant (NEG) Program consists of federal Department of Labor funds that are used to respond to a sudden and significant dislocation of workers due to emergencies such as flooding, earthquakes, freezes, wildfires, or major business cutbacks. This authority allows the state to react immediately when the federal government makes this funding available.

Labor Code Division 1.

#### **MAJOR PROGRAM CHANGES**

- Division of Labor Standards Enforcement Fund Shift The Governor's Budget includes a reduction of \$2.5 million General
  Fund for the Division of Labor Standards Enforcement (DLSE), to be replaced with \$2.5 million from the Uninsured
  Employers Benefits Trust Fund. This fund shift recognizes that part of the DLSE workload includes identification and
  enforcement of uninsured employers.
- Electronic Adjudication Management System The Governor's Budget provides \$3.6 million and 11.4 positions to support
  the revised ongoing project costs as reflected in the new Electronic Adjudication Management System Special Project
  Report. These funds are necessary to provide adequate ongoing maintenance and operations services for the project.
  This system will improve the operation and management of programs that protect California's workforce by improving
  program access, streamlining existing processes, and reducing costs resulting from delays in the current process.

#### **PROGRAM DESCRIPTIONS (Program Objectives Statement)**

#### 10 - SELF-INSURANCE PLANS

This program regulates workers' compensation self-insurance plans by ensuring that each self-insured employer and group of employers that is issued a certificate of Consent to Self-Insure meets the statutory requirements to self-insure and is able to provide workers' compensation benefits to employees, and that each private-sector self-insured employer posts a security

<sup>\*</sup> Dollars in thousands

deposit adequate to pay all workers' compensation benefits in case the employer defaults on its obligations.

#### 20 - MEDIATION/CONCILIATION

This program promotes sound labor relations between unions and employers to protect the economy of the state by preventing or minimizing work stoppages and interruptions of business or public services.

#### 30 - WORKERS' COMPENSATION

The Division of Workers' Compensation monitors administration of workers' compensation claims, attempts to minimize disputes through outreach to employers and injured workers by providing program information and assistance, and provides administrative and judicial services to resolve disputes that arise in connection with claims for workers' compensation benefits. The Division conducts audits of workers' compensation claims administrators to ensure compliance with the benefit delivery system required by the Labor Code, and authorizes payment of workers' compensation benefits to injured workers from the Uninsured Employers Benefit Trust Fund and the Subsequent Injuries Benefit Trust Fund. The Division attempts to promote the practice of early and sustained return to work of injured employees with limited reimbursements from the Return to Work Fund. The Division also administers a workers' compensation information system designed to provide information to policymakers regarding the effectiveness and efficiency of the benefit delivery system.

The Workers' Compensation Appeals Board reviews petitions for reconsideration of decisions issued by the workers' compensation judges of the Division of Workers' Compensation, participates in appellate proceedings as necessary or when requested by the court, and regulates the workers' compensation adjudication process.

#### 36 - COMMISSION ON HEALTH AND SAFETY AND WORKERS' COMPENSATION

The Commission on Health and Safety and Workers' Compensation is responsible for: (1) issuing an annual report on the state of the workers' compensation system, including recommendations for administrative or legislative modifications which would improve the operation of the system; (2) conducting specified surveys and evaluations required by law; (3) conducting continuing examination of the workers' compensation system and the state's activities to prevent industrial injuries and occupational diseases, including making recommendations on how to improve the workers' compensation and health and safety program, and if it deems appropriate, conducting or contracting for studies necessary to carry out its responsibilities; (4) establishing and maintaining the worker occupational safety and health training and education program and an insurance loss control services coordinator; and (5) issuing, if necessary, a report and recommendations on the improvement and simplification of the notices required to be provided by insurers and self-insured employers.

#### 40 - DIVISION OF OCCUPATIONAL SAFETY AND HEALTH

The objectives of this program include the promotion and enforcement of measures to protect the health and safety of workers on the job and to ensure the safe operation of elevators, amusement rides, aerial passenger tramways, and pressure vessels for the benefit of the general public. These objectives are accomplished by the coordinated efforts of the Division of Occupational Safety and Health, the Occupational Safety and Health Standards Board, and the Occupational Safety and Health Appeals Board.

The Division of Occupational Safety and Health (DOSH or Cal/OSHA) enforces occupational safety and health standards, investigates the causes of occupational deaths and injuries, and helps employers to maintain safe and healthful working conditions.

DOSH also conducts inspections of and issues permits to operate elevators and other "conveyances", amusement rides, aerial passenger tramways, and pressure vessels. The inspection and permitting process is the primary method used to enforce standards governing the safe operation of these devices.

The Occupational Safety and Health Standards Board (Standards Board) is an independent body consisting of seven members appointed by the Governor. The composition of the Standards Board is as follows: one member from the general public, two members from the field of management, two members from the field of labor, one member from the field of occupational health, and one member from the field of occupational safety. It is the sole agency in the state empowered to adopt, amend, or repeal the occupational safety and health standards and public safety standards enforced by DOSH.

The Occupational Safety and Health Appeals Board (Cal/OSHA Appeals Board) is an independent judicial body empowered by state law to resolve employer appeals of citations and accompanying monetary civil penalties issued by DOSH for violations of occupational safety and health standards. It is comprised of three members appointed by the Governor, consisting of one member from the general public, one member from the field of management, and one member from the field of labor.

#### 50 - DIVISION OF LABOR STANDARDS ENFORCEMENT

The objectives of this program include: (1) enforcement and interpretation of Industrial Welfare Commission Wage Orders and sections of the Labor Code which relate to wages, hours of work, and conditions of employment, including anti-discrimination laws relating to employees engaged in protected activities; (2) determination and collection of unpaid wages; (3) licensing of farm labor contractors, industrial homework firms, talent agencies, the registration of garment manufacturers, the certification of studio teachers, the registration of car washing and polishing businesses, and the registration of entities and individuals using minors in door-to-door sales; (4) field enforcement of laws governing public works, workers' compensation insurance, child labor, unlicensed contractors, oversight of rules governing meals and rest period, the payment of overtime and minimum wage, the licensing of specific industries, and the cash payment of wages without required deductions; and (5) vigorous and targeted enforcement against unscrupulous businesses participating in the "underground economy" in partnership with state and federal agencies.

#### 60 - DIVISION OF APPRENTICESHIP STANDARDS

The objectives of this program are to promote, develop, and expand on-the-job training and apprenticeship programs and to provide consultation services to program sponsors. The Division's goal is to match the needs of workers with those of employers, and to strengthen the apprenticeship alliance among industry, labor, education and government for recruiting workers and teaching the skills they and their employers need.

The Division of Apprenticeship Standards (DAS) administers the apprenticeship system in California. This includes initial program approval and subsequent oversight activity such as annual reviews and audits as required by the Labor Code to ensure that apprenticeship programs and employers are in compliance with approved standards and labor laws. The Division also enforces apprenticeship related requirements relative to public works projects.

The California Apprenticeship Council issues regulations to carry out the intent of the state apprenticeship law and sets the general policy under which this program operates.

DAS manages the Electrician Certification Program that tests for the minimum standards for competency and training for electricians in California.

#### 70 - DIVISION OF LABOR STATISTICS AND RESEARCH

The program objectives are to measure the effectiveness of accident and illness prevention efforts in the workplace, provide accurate information pertaining to industrial relations from an impartial source on short notice, and guide legislative and administrative decisions by state and local government. The prevailing wage program objectives are to determine and publish the prevailing wage rates for public works projects.

#### 80 - CLAIMS, WAGES, AND CONTINGENCIES

The objectives of this program are to pay claims, wages, or contingency benefits, and to provide for payment of workers' compensation benefits to employees whose illegally uninsured employers have failed to make benefit payments required under the Labor Code.

The Labor Code establishes special accounts in which the Labor Commissioner deposits a portion of each Farm Labor Contractor's, Garment Manufacturer's, and Car Wash Operator's annual license fee. Funds from these accounts are to be disbursed for any wages to employees which exceed the limits of a licensee's bond or time certificate.
